BUYER'S GUIDE TO ORDERING BY MAIL

1. Please remit check, money order or bank draft with your order. Currency is sent at your own risk.
2. All stock is sent at best planting time for your locality as order acknowledgment will show. Plants are so packed that a few days' delay will do no harm, provided they are left in the packing and put in a cool, shaded place, out of sun and wind. We would like to comply with specified dates but this often interferes with good nursery practice and is almost impossible.

3. **TERMS OF DELIVERY:**

PERENNIALS. To insure safe arrival and satisfaction.

Perennials are not shipped together with roses or bulbs, as they do not lend themselves to combination shipping, and planting times are often different.

TRANSPORTATION. Transportation charges are not included in the prices of plants, roses or bulbs. Please add fifty (50c) to your order to help defray the cost of handling.

CHARGE ACCOUNTS. It is not necessary to add fifty (50c) when ordering on Charge Accounts, as any extra charges for transportation, etc., will be added to your invoice.
